

AIR Announces Extraordinary General Meeting of Shareholders

August 5, 2026

DUBAI, United Arab Emirates, Aug. 05, 2026 (GLOBE NEWSWIRE) -- [AIR Global PLC](#) ("AIR" or the "Company") (NASDAQ: AIIR), a global leader in advanced flavored inhalation technologies and pioneer of next-generation nicotine delivery systems, today announced that it will hold an Extraordinary General Meeting ("EGM") of shareholders at 2:00 p.m. London time on August 24, 2026, at Sovereign Gate, 18-20 Kew Rd, Richmond upon Thames TW9 2NA, London, United Kingdom. Shareholders of record as of the close of business on July 10, 2026 are entitled to notice of, and to vote at, the EGM.

Shareholders will be asked to approve five proposals. The first two proposals relate to the Company's previously announced repurchase of 5,000,000 ordinary shares beneficially owned by Harraden Circle Investors, LP and affiliated funds ("Harraden"). The repurchase and the terms of the related prepaid share forward agreement entered into on May 11, 2026 between the Company, Cantor Equity Partners III, Inc. and Harraden require shareholder approval under the Companies (Jersey) Law 1991, as amended.

Shareholders will also vote on two standing authorizations that would permit the Board to repurchase up to 20% of the Company's outstanding ordinary shares annually through 2031, either off-market (via issuer tender offer or privately negotiated transactions) or on the open market, subject to defined pricing parameters. These authorizations are administrative in nature and are intended to provide the Board with long-term flexibility to manage the Company's capital structure as circumstances warrant. Other than the Harraden repurchase, the Company has no other share repurchases currently planned.

The fifth proposal is a routine amendment to the Company's Articles of Association to permit notice of future general meetings to be given via posting on the Company's website only, consistent with common practice among foreign issuers listed on Nasdaq.

The Board of Directors unanimously recommends that shareholders vote "FOR" all five proposals. Full details of the proposals, including the complete text of each resolution, are set out in the Company's shareholder circular dated August 5, 2026, which has been sent to shareholders and is available on the Company's investor relations website.
